Bill 1734, As They Affect the Deaf and Disabled
Telecommunications Equipment and Services

Rulemaking 03-03-014
(Filed March 13, 2003)

**ADMINISTRATIVE LAW JUDGE'S RULING
ESTABLISHING SERVICE LIST**

The Rulemaking that initiated this proceeding orders the assigned Administrative Law Judge (ALJ) to establish the initial official service list by ruling on or before April 3, 2003. Further, the Rulemaking directs the chair of the Deaf and Disabled Telecommunications Program Administrative Committee (DDTPAC) to enter an appearance as a party to this Rulemaking and to file comments on behalf of the DDTPAC, as well as the California Relay Service Advisory Committee (CRSAC) and the Equipment Program Advisory Committee (EPAC).

I realize that a number of individual members of the DDTPAC, CRSAC, and EPAC have requested party status to this proceeding. While the Rulemaking, as described above, requires the DDTPAC to be a party and to file comments on behalf of the three committees, it does not preclude party status for individuals associated with the DDTP program. I recognize that most of the committee members represent specific community interests, which should have an opportunity to be heard. In order to ensure that all interests are heard in this

process, all those who initially requested party status will be granted party status. However, to the extent possible, I ask that parties with similar interests work together to file combined comments.

The initial service list for this proceeding is attached to this ALJ ruling and may also be found on the Commission's website under the category "Proceedings." In light of the short timeframes adopted for this proceeding, I ask all parties with e-mail capabilities to send courtesy e-mail copies of their comments to me at kaj@cpuc.ca.gov, and to others on the service list, in addition to the required paper service.

IT IS SO RULED.

Dated April 2, 2003, at San Francisco, California.
